## In-Person Meeting

Note: the meeting scheduled for Sat., January 14, 2023 will be in-person only.

There will be no Zoom meeting.

Date: Saturday, Jan. 14, 2023

Time: **1:30** Informal "talk story"

**2:00** Meeting starts

Place: Kamana Senior Center,  
127 Kamana St., Hilo

Speaker: Glen Barfield

Topics: How to Choose Warm-Growing  
Oncidiinae

Oncidiums and their relatives are a very diverse group of orchids. Some, like Miltoniopsis, like to flower in cool conditions. Others flourish in warmth. Much hybridizing has been done in this group.

This month, our own Glen Barfield will tell us all about warm-growing Oncidiinae, covering several lines of hybrid breeding to produce warmth-tolerant orchids. Glen made some of these hybrids himself.

Glen is an AOS judge and orchid expert, but he doesn't take himself too seriously. In the photo above, he says, "I'm the one on the right."

In the 1980s Glen had a nursery in California called Okika Ltd. The name was a clue about his love for Hawaii – it means "orchid" in Hawaiian. Glen also

loved surfing (he was a surfer since age 16), so it was only a matter of time until he moved here, which he did in 1995. Glen now has a small nursery in Mountain View called Okika, where he pursues orchid breeding, primarily in the Oncidium alliance. Over the years he has won numerous AOS awards.

## No Zoom Meeting

After being closed during the pandemic, we're gradually trying to get back to normal. Our combination of in-person and Zoom meetings was done for the convenience of our members, but it has been logistically difficult for us, and some things just didn't work well on Zoom (like covering the review of the show table, or meetings with audience participation, like potting workshops). Our Board decided that it's time for us to go back to just having meetings at the Kamana Senior Center.

We know that the Covid pandemic is not over, although the risk is now much lower for people who are vaccinated and boosted. Masks are not required at meetings, but you are welcome to wear a mask.

## Dues Are Due

Your membership dues for 2023 are due. New members who joined at our Orchid Show at Edith Kanaka'ole Stadium in July and members who joined in September 2022 or later are considered paid through 2023 and do not have to pay.

For the rest of you, dues are still only \$20 for individual membership or \$25 for family membership. In return, you get a year of interesting speakers, newsletters, and activities, plus the chance to get together with folks who share your interest in these beautiful and fascinating plants.

You can pay at the meeting, or fill out the form on page 9 and mail it in with your payment (address is on the form). Thanks!

## New Officers and Trustees

Bill Rawson (at left) swore in the new Board of Trustees for 2023 at the holiday party. From left: Rusty Gorton (behind Bill), Ellen Train, Lise Dowd, Rick Kelley, Larry Kuekes, Tom Miranda, Kevin Evans, Karl Mendonca. Not present: Ben Oliveros, Sandra Dixon, Natalie Hebden.

## Holiday Party

Our holiday party was a good time for all who attended. The event was held at the Hilo Yacht Club. After talking story with a great oceanside view, we had a delicious lunch and our official swearing in of officers and trustees for 2023. Those who participated in the orchid gift exchange drew numbers to see what gift orchid they got to take home. Finally, Tom Miranda led a spirited auction of gorgeous orchids to raise funds for your Society.

Mahalo to all those who helped out!

## Supporting Orchid Conservation

Each year, Hilo Orchid Society makes a donation to support orchid conservation. For 2022, the Board voted to donate \$1000 to a National Park service project that is working with Hawaiian native orchids in Hawaii Volcanoes National Park. All the orchids that you see on this island are non-native. There are three native orchid species in Hawaii, but they are extremely rare, and they grow in remote places where you would normally never go. Our donation will help the survival of those native Hawaiian orchid species.

Some of the orchids that were auctioned off at the Holiday Party.

Ruth Robison picks a number from the jar held by Rick Kelley to see which orchid plant she will get in the orchid gift exchange at the Holiday Party.
